ELECTRICAL BID PROPOSAL
Deer Valley Airport Relocate Taxiway B - Duct Bank Installation
Project No. AV31000092 FAA
AIP 3-04-0028-045-2023
GMP1

Bid Proposal of (Firm Name): _____

Acknowledges Receipt of the following Addenda: _____

Bidder agrees to perform all _____ **Electrical** _____ within the Work Category as it appears below including all applicable direct and overhead costs, profit, taxes, bond, insurance, and all costs associated with the Project.

SCOPE OF WORK – Electrical

Work under this classification includes: Labor and materials required to perform electrical upgrades listed below in the schedule of values. The work shall be all inclusive of the supply and installation of the new Duct Bank, including both slurry and concrete encased conduits, directional boring, and installation of New Handholds with aircraft rated lids. All work will be furnished and/or installed in accordance with the Contract Special Provisions, Project Plans, and FAA Standard Specifications.

This is a Construction Manager at Risk (CMAR) project with the City of Phoenix. Your quote should be based on **your** takeoff (A), and must indicate unit prices (B) with extensions (C) for all items included in your bid. Payment will be made by the actual units installed, but not to exceed your indicated takeoff quantity.
