**The balance of the specifications and instructions remain the same. Contractor must acknowledge receipt and acceptance of this Amendment by returning the completed amendment acknowledge section of the bid forms with their bid package.**

**QUESTIONS FROM CONTRACTORS:**

Q1. Are there any APS plans available?

**A1. The City has just received and are reviewing plans from APS. APS will be relocating all of their utilities before the start of construction on this project.**

Q2. There appears to be a fiber line shown on the plans to be in conflict with every storm drain. Has the City identified who that line belongs to and if the relocation will be the responsibility of the contractor.

**A2. The dry utilities have been relocated already. The plans state it is the contractor to verify this information. It is anticipated that some potholing will be required for verification.**

Q3. Is a Geotech report available?

**A3. No.**

**REVISIONS TO THE IFB:**

**There have been some discrepancies discovered between the bid table and the Technical Provisions and Specifications. The bid table has been amended to align with the Technical Provisions and Specifications and uploaded as a separate document on the Procurement Portal website. The file is titled IFB No. 32600110 – Bid Table Rev. 1. The previous version of the bid table has been removed.**
