ASPHALT PLACING BID PROPOSAL
Deer Valley Airport Relocate Taxiway B and Construct B6/B9
Project No. AV31000092 FAA
GMP4

Bid Proposal of (Firm Name): _____

Acknowledges Receipt of the following Addenda: _____

Bidder agrees to perform all **ASPHALT PLACING** within the Work Category as it appears below including all applicable direct and overhead costs, profit, taxes, bond, insurance, and all costs associated with the Project

It is a requirement for each firm to use the following pages to submit a bid proposal. The firm can attach additional supporting information regarding the bid. Any deviations from the bid proposal could result in the bid proposal being rejected.

SCOPE OF WORK – ASPHALT PLACING

This item shall consist of pavement courses composed of mineral aggregate and asphalt binder mixed in a central mixing plant and placed on a prepared base or stabilized course in accordance with these specifications and shall conform to the lines, grades, thicknesses, and typical cross-sections shown on the plans. Each course shall be constructed to the depth, typical section, and elevation required by the plans and shall be rolled, finished, and approved before the placement of the next course. Labor, materials, and equipment to complete the work indicated above in accordance with the project plans and specifications. All asphalt to be provided by the General Contractor.

This is a Construction Manager at Risk (CMAR) project with the City of Phoenix Aviation Department. Your quote should be based on **your** takeoff if different than provided (A), and must indicate unit prices (B) with extensions (C) for all items included in your bid. Payment will be made per the project specifications.
